Making Art in Greece - Athens is our new insider tour of the tucked-away places in Greece's cosmopolitan capital. The tour will take you to the vibrant neighbourhoods of Athens as well as the sites and galleries it is most famous for. You won't miss out on the Parthenon or Greece's beautiful coast. A day-trip to Sounion beach, is an opportunity for a swim and a visit to the Temple of Poseidon. Every day will be rich inspiration for artists to record their unique perspective of this wonderful city, while enjoying luxe accommodation and authentic Greek cuisine.

All of our travelling artists will receive a professional-quality art kit and be taken to inspiring places to capture in their sketchbooks. Artist Teresa Lawrence will be the art tutor, offering workshops and guidance throughout the tour.
