Notes

1. Lagoon 421:

Four cabins: four double cabins, all with private ensuites with separate shower area. All cabins are private, modern, and well-ventilated.

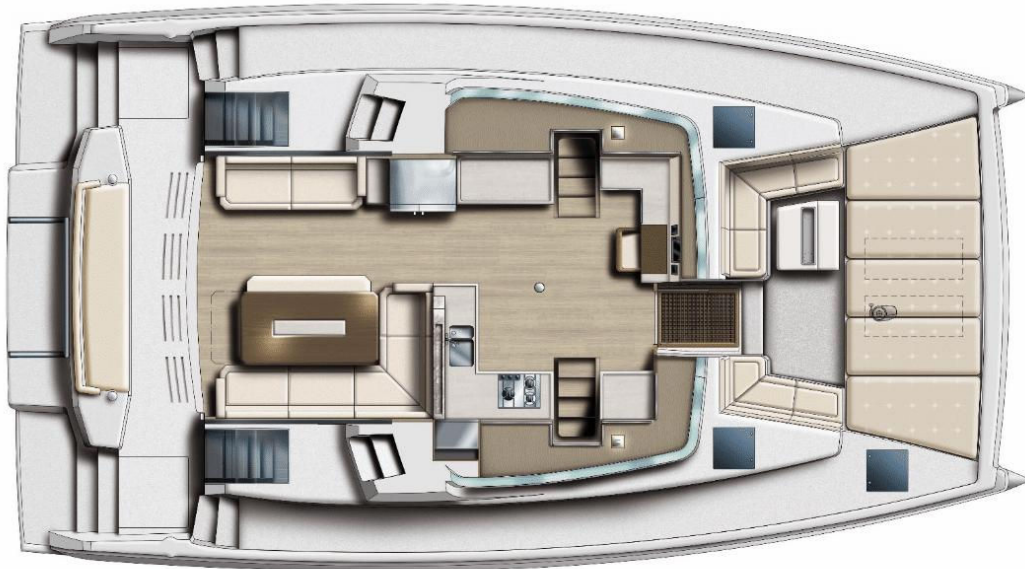

The yacht can accommodate up to eight guests; however, during certain seasons, capacity is capped at a maximum of six guests. Outside these periods, while the yacht may accommodate up to eight, we recommend six guests for the most comfortable onboard experience.

2. Bali 4.8:

Five cabins: four double cabins and one bunk cabin, all with private ensuites. Two doubles feature a separate shower area; the other three have a combined shower / wet-room layout. All cabins are private, modern, and well-ventilated.

For preferred cabins (with separate shower area), the supplement is AUD 250 per person per 7 days.

3. Lagoon 46:

Four double cabins, all with private ensuites including a separate shower area.

4. Lagoon 50:

Four double cabins plus two smaller inner cabins. All double cabins have private ensuites including a separate shower area. The inner cabins do not have their own bathrooms. In group charters, cabin use is arranged at the group's discretion. For individual cabin bookings, two friends may choose to share a double cabin and its adjacent inner cabin, sharing the ensuite of the double cabin; in this arrangement, no single supplement applies.
