MAKING ART IN GREECE ATHENS LAND TOUR

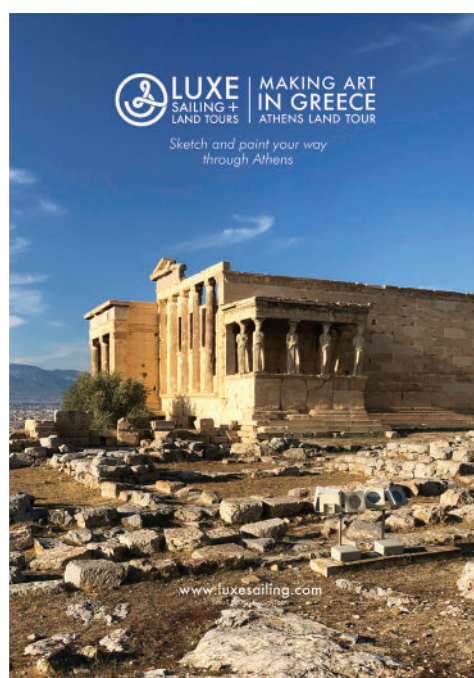

5 – 11 JUN 2026
11 – 17 SEP 2026

Athens is one of the world's great cultural capitals. Imagine yourself painting the Parthenon at dusk, sketching the vibrancy of its bohemian neighbourhoods, drawing your way around a world-famous museum, or printmaking in a local artist's studio.

Personally curated and hosted, this small-group journey gives you the opportunity to create throughout the city and along the coast. Under the guidance of artist Teresa Lawrence, this tour is designed for artists of all levels, with an itinerary that balances focused creativity with time to immerse yourself in contemporary Athens.
