MAKING ART IN GREECE

PELOPONNESE LAND TOUR

5–11 JUN 2026

Discover the Peloponnese through drawing and painting its dramatic coastlines, medieval towns, charming villages and ancient ruins.

Some of the most spectacular places on earth will become your inspiration. Personally curated and hosted, this small-group journey begins in Athens before travelling through Hydra, Nafplio, Monemvasia, the Mani Peninsula and Kalamata, combining cultural exploration with dedicated art sessions in carefully chosen locations.
